**Sprint Goal**
- I own this!
- I am a servant-leader.

**Sprint Planning**
- What?
- How?
- 8 hours for a 1 month Sprint

**Sprint Backlog**
- We translate the Sprint Backlog into an Increment of Product.
- We self-organize, inspect & adapt.

**Sprint Retrospective**
- What can we improve?
- 3 hours for a 1 month Sprint

**Sprint Review**
- We demonstrate.
- We support the team and stay out of its way.

**Get Stuff Done**
- We translate the Sprint Backlog into an Increment of Product.
- I am available to collaborate and answer questions.

**Daily Scrum**
- 15 minutes
- I clear the path.

**Stakeholders**
- We collaborate with the Scrum team.

**Product Owner**
- I maximize the value of the product and the work of the development team.

**Development Team**
- We do the work of delivering a potentially releasable Increment of “Done” product at the end of each Sprint.

**Scrum Master**
- I ensure that Scrum is understood & enacted and that the Scrum team adheres to Scrum theory, practices & rules.

**Product Backlog**
- I own this!
- I am one person, not a committee.
